

## **2009 Qualified Candidates for “At Large” Directors for the Louisiana REALTORS®**

### At Large Directors

REALTOR® members who meet the established criteria are eligible to place their names in nomination for the at large state director positions to serve two-year staggered terms. There shall be one (1) at large state director equal to the number of local associations in Louisiana.

Candidates meeting the established criteria will be elected by the Board of Directors of the Louisiana REALTORS® at the fall meeting. The candidates shall be listed on a ballot in alphabetical order. Those directors so elected shall have been in ranked order by the number of votes received.

In order to create staggered terms, the 7 candidates receiving the most votes will serve a 2 year term. The remaining 6 candidates will be elected to a 1 year term.

The polls for the at large Board of Directors election for 2009 will open in the foyer of the Queen Anne Ballroom at 9:00AM and will close at 10:30AM at the Hotel Monteleone on Friday, September 5, 2008.
